Retirement Condominiums | Independent Living | Assisted Living | Memory Care

# Welcome

We would like to extend a personal welcome to you. We realize you're here because this is a new chapter in life. The time has come to search for a place where you can live independently and yet, find all the security and comfort you need. We know the place you ultimately choose must be the best. You've worked hard to get to this chapter of life and you deserve nothing less.

It is our desire to provide an environment that relieves the stress you may feel from living alone. Great food, friends close by, entertaining things to do, a private apartment to call your own, and a caring staff of people always available if and when you need us.

To live the Richmond Life is to live a lifestyle entirely focused on our most important concern: YOU. With a full heart, we welcome you to Richmond Senior Living.

With warmest sincerity,

*Richmont Senior Living*

## *Richmont Villas*

The Villa's at Richmont are designed for the active senior looking to make the first step into retirement living. Each Villa provides a spacious living environment with a master suite, open kitchen and comfy den. Located on the Richmont Senior Living campus, the Villas offer access to all the amenities available at Richmont Village Independent Living including the fitness center, computer lab, theater, coffee shop, social and entertainment activities, shuttle services and so much more.

### *The Defining Difference*

We have carefully created a controlled environment specifically designed for the person with dementia. We believe these design features allow for our residents to have as much personal success as possible. Some of the features include:

- Natural lighting in common areas
- Unobtrusive entrance and exits
- Different apartment door colors for easy identification
- Journey Stations geared toward the natural curiosity of our residents
- Accent walls behind the toilets
- Colored toilet seats and grab bars
- Line of sight from bed to bathroom
- Individual sound system for musical cueing
